Section B01 meets Tuesday, 7:10 - 8:00 PM in Hickey Gym 290.

Section B02 meets Tuesday, 8:10 - 9:00 PM in Hickey Gym 290.

## Textbook

*Calculus for biology and Medicine*, 3<sup>rd</sup> edition, by Claudia Neuhauser. The textbook is required.

## Approximate Schedule of Topics

An approximate schedule of lecture topics can be found at:  
[https://www.math.ucdavis.edu/courses/syllabus\\_detail?cm\\_id=7](https://www.math.ucdavis.edu/courses/syllabus_detail?cm_id=7).

## Homework

Homework will be assigned on a roughly weekly basis and will consist primarily of problems from your textbook. Working with classmates on homework problems is strongly encouraged, but each student must ultimately submit their own homework. Homework will be graded largely on completeness, but one or two problems per week will be selected and graded carefully for correctness.

## Midterms

There will be 2 midterms held in class during regular class time. Midterm 1 is scheduled for Friday, April 27<sup>th</sup>, and will cover material from chapter 10. Midterm 2 is scheduled for Friday, May 18<sup>th</sup>, and will cover material from chapter 11. You will not be permitted to use calculators or cell phones.

## Regrades

Requests for regrades should be submitted electronically to Andrew with me in CC. Your message should include a succinct explanation of why you believe you received the wrong grade, and a clearly legible photo or scan of your homework or exam must be attached. **All regrades must be submitted within one week after the exam was returned.** Most regrade requests will not result in a change of grade. If you do request a regrade, your score may be raised **or lowered**.

## Final

Your final is scheduled for Friday, June 8<sup>th</sup> from 8:00-10:00 AM in Wellman 216. **You will not be permitted to use calculators or cell phones.** The final will be cumulative.

## Grading

Course grade = 30% Homework + 20% Midterm 1 + 20% Midterm 2 + 30% final exam.

Your course grades will be curved, if need be, at the end of the quarter.

## Class Website

The class website may be accessed on Canvas.

## Communicating with me

The best way to contact me is via email. All messages should be sent to herczeg@ucdavis.edu or to my personal address Gabe.Herczeg@gmail.com. **Do not message me on canvas.** Please be sure to include “Math 17C” in the subject line so I know to respond quickly.

## Academic Dishonesty

Academic dishonesty of any form will be reported to the Office of Student Support & Judicial Affairs for appropriate action.
